

Around-the-clock urgent care when you need it

Getting sick is never in your plans, so be prepared for anything this cold and flu season with 24/7 urgent care on LiveHealth Online.

Stay home and see a doctor in minutes – **even when your local doctor's office is closed**. You can get a diagnosis and treatment plan in no time, so you can get back to feeling better.

With urgent care on LiveHealth Online, you'll get:

Shorter wait times
than in-person

Doctors available
24/7 - no need to
leave the house

Prescriptions sent
to the pharmacy of
your choice

See a doctor for these conditions and more:

- Flu
- Cold & fever
- Sore throat
- Headache
